

**Subject:** SRM 7.2 Vendor Cutover Activities and Training Notice  
**Audience:** AST Leads, Procurement Directors, Finance Directors, SCEIS Materials Management (MM) Users

The Procurement Services Division has created a notice informing all vendors of the Supplier Relationship Management (SRM) 7.2 cutover activities and vendor training opportunities. For your reference, [this notice](#) is posted on the SCEIS Weekly Updates page in conjunction with this message and on the Procurement Services website at <http://procurement.sc.gov/PS/vendor/PS-vendor-SRM-update-info.phtm> under the Vendors/Contractors heading.

The SCEIS Team encourages agencies to post [this notice to vendors](#) on their agency's website where applicable.

Please share this information with all SCEIS Materials Management (MM) users in your agency to ensure they are familiar with the timing and impacts of the SRM 7.2 upgrade cutover period.
